HOBBIES

DUONG THE NGOC
FRONT-END DEVELOPER INTERN

I'm Duong The Ngoc. Currently, I'm a 4rd-year student at the University of Hutech. I look forward to having the opportunity to practice at the company.

💼 Work Experience

05/2024 - 07/2024

Trendy Academy Company Limited

Front-end developer intern

- Developed user interfaces for the web pages, ensuring responsiveness and compatibility across different devices and browsers.
- Converted design mockups into functional front-end code, ensuring pixel-perfect alignment and adherence to design specifications.
- Participated in code reviews and contributed to team discussions on best practices and improvements in the development process.

09/2022 - 11/2022

Momo

Business Analyst Intern

- Learn how to collect and analyze data, and design data model diagrams.
- Participate in group study sessions to exchange knowledge and improve skills.
- Learn about business analysis methods and processes applied to business reality.

⚙ Project

05/2024 - 07/2024

Portfolio Trendemy Education (Front-End)

Project description: Developed the front end of a responsive website for an educational platform, focusing on presenting key content and user-friendly navigation

Responsibilities:

- Assisted in creating and optimizing responsive layouts using ReactJS and CSS modules.
- Contributed to the development of interactive UI components under the guidance of senior developers.
- Supported the team in ensuring cross-browser compatibility and performance optimization.
- Worked closely with the design team to help translate mockups into functional web pages.

Technologies:

- **Front-end**: HTML5, CSS, Javascript, ReactJS.

08/2024 – 08/2024

My Portfolio

Project description: Developed a personal website to present my work and experience as a front-end developer. The site provides a platform for potential employers and collaborators to review my projects and skills.

Features:
- Dynamic display of projects with detailed descriptions and technology stacks.
- Interactive and user-friendly interface with smooth animations.
- Contact form for inquiries and collaborations.
- Fully responsive design for optimal viewing on various devices.

Technologies:
- **Front-end**: HTML, CSS, Javascript.
